Our Classroom Values

We Never Stop Improving

We lend an ear to both praise and feedback to deliver our best work. This process is a journey and not a destination.

We Bring a Can-Do Attitude

We confront challenges with enthusiasm and figure things out. We value effort, Commitment, learning, and an attitude toward growth.

We Only Succeed Together

Teamwork is critical to our success, and we place a tremendous value on how we work together across the entire cohort.

We Respect the Rights, Differences, and Dignity of Others

We want to create a learning space where people can bring their full selves. In order to do this we must all respect the diversity of our experiences and how it contributes to our learning.

Minimum Completion Requirements:

- Miss no more than 8 classes
- Have no more than 2 incomplete/unsubmitted homeworks (will impact GPA) and maintain a 70% (C-) average on homework
- Participate in all projects
- Balance paid in full (drop is the first week of class (requests must be made by 7/13); missed payments can lead to academic hold)

Let's Review What We've Covered So Far:
